Dear Dean Runge:

This will confirm my willingness to address the Wisconsin National Guard Association convention banquet on Saturday evening, 29 August. I am making reservations according to the schedule you submitted and look forward to being with you very much.

The Agency has decided as a matter of policy that such speeches should be considered as part of our official duty and, therefore, it would be inappropriate to accept an honorarium or expenses.

I suggest the not original title for my talk, "The Nature of the Soviet Threat." I shall try and pitch the talk in such a way as to bring out the responsibilities of the reserve components in this period of indefinite cold war and readiness for hot war, and I shall include some information on Soviet mobilization potential and the role played by the reserve components.

I enclose a glossy print and a curriculum vitae.

With all good wishes.

Sincerely,

Robert Amory, Jr.

Encl.
